Upon a motion by Comm. Snow, second by Comm. Multer, it was agreed to pay the firm of Stork and Manahan the insurance premium of \$1000.08 for the coming calendar year.

KIMBALL'S GULLY

There was no real new information to be reported as Chrm. Andersen was not present and the Compact has not heard from Mr. Paul Schmiel of the NYS DEC recently. However, it was reported that Penn Yan Marine Manufacturing was due to redeem the property in the near future.

MANAGER'S REPORT

Mr. Balsley was in hospital. The Lake level reported was 713. In a discussion on the Lake Level based upon comments at the September meeting it was suggested that the level be maintained at higher level further into the Autumn. This appears to be feasible, as the new gates give us more outflow capability, as long as downstream conditions permit.
