Dear Mr. Weber:

This is written in response to our telephone conversation of October 4, 2002 wherein you requested information concerning Emergency Action Plans.

I have enclosed a copy of the Federal Emergency Management Agency, Mitigation Directorate's "Federal Guidelines for Dam Safety: Emergency Action Planning for Dam Owners". Also enclosed is a copy of the Seneca Falls Power Corporation's Emergency Action Plan that this office recently received.

I hope that this information is helpful to you in developing your own Emergency Action Plan for Keuka Lake. If I can be of further assistance please do not hesitate to contact me. (315) 438-2304

Sincerely,

Robert M. Heuschneider
